# Guide to Bodmin bus services

[www.cornwallpublictransport.info](http://www.cornwallpublictransport.info)

# **Bodmin Local Bus Services from 12 September 2016**

From 12 September there will be revisions to local bus services within Bodmin as a result of works associated with the Bodmin Growth deal, which will create a cycle link between Lanhydrock, the Camel Trail and Cardinham Woods, connecting Bodmin to these popular cycle hubs. By bringing the popular Camel Trail into the heart of Bodmin, it is hoped that it will act as a catalyst for the regeneration of the town centre. Further information on the scheme can be found at [www.cornwall.gov.uk](http://www.cornwall.gov.uk).

This guide contains timetables for all services that operate in Bodmin as well as a bus route map showing the revised service routes that will be operating while the works are in progress. Should you have any questions regarding the routing or timetables please initially contact the relevant operator.
