

Welcome to Cornwall's Guide to Public Transport Services

Much of public transport is operated on a commercial basis, with Local Authorities tendering for services where it considers a requirement is not being satisfied by the free market. These arrangements are commonly called subsidised services. In rural settings where passenger numbers are low, there are many instances where the transport service is unlikely to be commercially viable, and the subsidised or supported network is critical to the overall public transport function.

Cornwall Council prides itself on working closely with the companies who operate commercial services in the county by providing subsidised services to achieve a comprehensive and appropriate public transport network. Cornwall will spend over £6m in 2017/18 supporting its public transport functions.

Information in this Guide - Timetables

Working in conjunction with the county's bus companies to avoid duplication of information; this Guide gives timetables for services other than those for First Kernow, Plymouth Citybus (Go Cornwall) and Stagecoach Southwest who are producing their own. A list of the bus companies referred to in the Guide is shown on Page 21.

However this Guide gives area maps showing service routes and numbers; a frequency guide of all services not having a full timetable in this guide; a list of all transport companies with contact details; an index of places served by bus; and street maps for the main towns in the county showing bus services by road.

Alas, sometimes, transport services need to be changed at short notice e.g. on a temporary basis because of roadworks or to match changing school session times, and the law allows commercial bus services to be introduced, varied or withdrawn at 56 days notice. Thus, whilst every effort has been taken to ensure the timetable information is correct at the time of printing, the Council cannot accept liability for any inaccuracies brought about by subsequent changes to services.

Traveline

We advise that in order to get the most up-to-date service timetable, one should access Traveline (tel: **0871 200 22 33** (calls cost 12p per minute plus your phone company's access charge.) or **www.travelinesw.com**); or the relevant bus company's web-site or our own web-page at **www.cornwallpublictransport.info**

We hope you find this Guide of interest and use to you; we want to ensure that your needs are met!

If you would like this Guide in another format or language, please let us know at enquiries@cornwall.gov.uk or telephone 0300 1234 100.

Useful Information

Bus times on your mobile phone

Information about the next few services from any bus stop can also be obtained from your mobile phone – just text the unique bus stop code to **84268**. For further information on this and to learn the unique code of a bus stop if it is not clearly marked, go to the Traveline website at **www.travelinesw.com**

Bus Stop procedure – Hail and Ride

It is expected that all bus stops in urban areas are recognised and served by the buses operating in that area.

However in rural areas, there may not be a recognised stop and in such instances, bus drivers can be requested to stop by one raising one's arm to signal 'Hail & Ride'. It is at the driver's discretion as to whether it is safe to do so.

Buses on Public Holidays

No bus services operate on Christmas Day, Boxing Day or New Year's Day.

There may also be a reduced frequency of services during the Christmas period – please check with the relevant bus company.

Reduced "Sunday service" frequencies operate on Bank Holidays.

Real Time Passenger Information

This facility is available at many bus stops across Cornwall - see the inside cover page for more details.

Conditions of Carriage

Please contact the operator direct for any information or clarification on company policies regarding travel on their services.

Comments and Complaints

We advise that Comments and/or Complaints about a bus service should be made, in the first instance, to the bus company concerned. In doing so, please ensure you give details of the date and time of your journey, the service number and direction.

We welcome being copied into any correspondence, so as to have an overview of how services are operating in the county. We can be contacted at:

Integrated Transport Unit, Cornwall Council, Room 3B, Pydar House, Truro TR1 1XU. Tel: **0300 1234 222**
Email: **ptu@cornwall.gov.uk**

We further advise that if you are not satisfied with the response given by the bus company, you can contact Bus Users England, Princes Exchange, Princes Square, Leeds LS1 4HY (tel: 0300 111 0001); e-mail complaints@bususers.org; website www.bususers.org which is an organisation who take up passenger complaints against bus companies. Again, please copy us into any correspondence.

School Day Only Services

Some services only run during school or college terms. College terms can differ slightly to school term dates so please confirm with the operator before travelling.

School term dates in Cornwall 2017-2018

5 June to 26 July

4 September to 20 October

30 October to 20 December

4 January to 9 February

19 February to 29 March

16 April to 25 May

Community Transport Schemes operating in Cornwall

Cornwall is a rural county and as comprehensive as we believe our bus network to be, in such a setting there will be times when there is no easy access to public transport. For this reason, we have a strong Community and Volunteer Transport ethos. Here we list the various schemes available: page 8

English National Concessionary Travel Scheme

Holders of concessionary bus passes are, on the production of the pass, entitled to free travel on local bus services during off peak hours, 0930 to 2300, on Monday to Friday and all day at weekends and Bank Holidays. Some services are excluded from this scheme and this is highlighted on the relevant timetables.

Concessionary pass holders can also purchase a day rover ticket for the Truro Park and Ride service, at a reduced rate of £1 during off peak hours.

Devon and Cornwall Rail Partnership

Established in 1991, the Devon and Cornwall Rail Partnership is a non profit making alliance of the region's local authorities, Cornwall Council, Devon County Council, Plymouth City Council, Plymouth University and rail companies.

The Partnership was the first of Britain's Community Rail Partnerships, its aims are:

To promote the use of trains, particularly on branch lines

To work for improvements to branch line train services and facilities

To promote places served by the branch lines thus helping boost the local economy

To promote engagement and two-way communication between the community and the rail industry.

For further information contact the Devon and Cornwall Rail Partnership on 01752 584777, Email: railpart@plymouth.ac.uk
www.greatscenicrailways.com
